## LOP Tools

- [The Landing On Purpose Checklist](#)

Identify at which phase you are in your missional life and where to enter and engage on the Landing On Purpose Pathway, our framework for missional living. Results of the inventory provide a way to investigate the nuanced needs, desires, and personalities of people who are pursuing purpose!

- [Landing On Purpose Workbook](#)

Go behind the scenes to the origin story of Landing On Purpose. The narrative workbook helps you mine your story and message-map your way to discover and ultimately craft your single-sentence mission statement or pitch. It's the beginning of change and creating actionable strategies for living daily within your purpose, so you can set new boundaries, launch solutions to a problem, write that book, and more!

- [Decision-Making Course & Coaching](#)

Discover our Decision-Making Framework, our visual tool for filtering options and choosing wisely--optimal for teens through adults. Learn how to apply it immediately to address the simple or complex challenges facing you. And take advantage of one month of personalized coaching to help you land on your BEST decisions!
